

Family Mission Update

God is Faithful! We trust this update finds **your hope** firmly anchored “behind the veil!” “Thus God, determining to show more abundantly to the heirs of promise the immutability of His counsel, confirmed it by an oath, that by two immutable things, in which it is impossible for God to lie, we might have strong consolation, who have fled for refuge **to lay hold of the hope set before us. This hope we have as an anchor of the soul, both sure and steadfast, and which enters the Presence behind the veil,**” (Hebrews 6:17-19) In these uncertain times we are so thankful to have a very **certain hope** in Christ and a very **certain confidence** in Him!

As 2020 comes to a close we are so thankful for all the Lord did here at Family Mission. All of which you were a part. Your participation, prayers and financial support was an investment into many lives. In spite of all the effects of Covid we were able to minister in February in the nation of

Spain. 🇪🇸 Ministering in France 🇫🇷 and Africa 🇳🇬 via Zoom has been a joy! We have also been able to travel all throughout the Midwest as restrictions have come and gone. It reminds me of the words of the Apostle Paul in II Tim. 1:9 when he said,

“but the Word of God is not bound!” Paul said this while he was locked up in prison!

We still have three trips on the schedule for 2021 for Indonesia 🇮🇩, Spain 🇪🇸 and back to beloved France 🇫🇷. No matter what develops in 2021 we wanted to encourage you today **THAT THE WORD OF GOD IS NOT BOUND!** In fact,

“We pray that everyone who meets you may catch your faith and learn how wonderful is it to live in Christ Jesus!” (Philemon 6 Laubach Translation).
There’s just no way to include in this final update of 2020 all the pictures that should be shared but here are just a few from our 2020 itinerary.

 #FamilyMission

If you haven't checked out our website recently we hope you will visit it. spellmanministries.org has a downloadable pdf regarding the Mandate of Family Mission. It also has 7 short videos that explain the 7 mission objectives of Family Mission. God had a plan from the beginning for His Family. That plan has not changed. It's still about family! This is why we need to help people everywhere experience a Divine Reset. Every home, marriage and family needs to experience a Divine Reset. The Lord spoke to us this year at Moriah Ranch at the Moriah Prayer altar, "If you heal the home you'll heal the land!" This was a profound word of instruction. It brought clarity and confirmation to the Mandate of Family Mission.

Like many of you, we had some major events in our personal family this year. We closed the doors on the Spellman Place in Trenton Missouri in October. Kimberly's brother went home to be with the Lord November 2nd. Kimberly's Dad has been in the hospital since October 10th following a stroke. He still remains in the hospital following the stroke with an additional critical diagnosis.

In spite of his health, he still tells everyone he meets about Jesus and is a shining light there at the VA hospital. **God is Faithful!**

We just took shipment of some professional podcast equipment this week and we are excited to get the Family Mission Podcast on as many platforms as we can in 2021. We are also working to bring you a Family Mission App in this coming year! We continue to go live on Facebook Monday-Friday at 4pm CST with Table Talk. Hope you'll join the conversation!

With Christmas coming up very soon we want to wish each and everyone of you a very Merry Christmas. The gift of Christ really is **Good News of Great Joy!** Romans 15:13 is such a powerful truth. It lets us know that our joy and peace is the result of our believing and are not dependent on our circumstances. It also reminds us that God is a God of Hope and we can abound in hope through the power of the Holy Spirit. We are so thankful for each and everyone of you and consider each of you a gift to our lives. We pray for all our partners and mailing list recipients. We want to thank you for being a part of Family Mission. Thank you again to all of you who prayed for us and those who gave financial support to the ministry of Family Mission. **With all of our increase and expansion coming 2021 we greatly appreciate your support in the upcoming year!**

Reviving the Mission of Love,

Mark, Kimberly, Samuel & Daniel
